

About Us

Our Bright Changes Clubhouse is a community-based program addressing the social and emotional needs of school aged children and youth.

Our goal is to support and encourage youth to explore new and exciting opportunities, by promoting an array of experiences and providing a safe environment during the after school hours and summer. Club Members receive case management, therapeutic services, age-appropriate life skills, training, academic support and exposure to different careers and hobbies through field trips and speakers.

Club Members

Youth and Emerging Adults
(Ages 9-21)

Program supported by
Department of Behavioral Health
and Developmental Disabilities

DBHDD

If you are an interested parent or guardian of a student, please contact your school staff for referral or call 678-486-1090 for more information.
